Membership Benefits

The number-one reason to join the PTA is to benefit your child. In doing so, you also help Seaview. But there are many more advantages. Here are just a few:

Get Connected. There's no better way to know what's happening at Seaview.

Discover Great Resources. The PTA offers a variety of programs designed for parents as well as students.

Tap into a Network. Parenting is not easy—it helps to share ideas, concerns and experiences with other parents and educators in the community. PTA meetings are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind.

Watch Yourself Grow. By volunteering with the Seaview PTA, you gain valuable experiences. It's an opportunity to put your skills and hobbies to good use for a good cause—your child and all children in the Seaview community.

Speak Up. Because the PTA is a forum for exchanging ideas, you are encouraged to make suggestions. PTA can be a way for you to more effectively suggest change at Seaview.

Witness Improvement. By getting involved at Seaview you'll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs, and social events—all vital to your child's success.

Be a Role Model. By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.
