

seaview science expo

Friday, March 31, 2017

This year's Science Expo will be an exciting day full of science-related presenters, including:

Insect Safari, Boeing Planetarium, Pacific Science Center, Edmonds Beach Rangers, West Sound Wildlife Shelter, Rock & Gem Club, Sound Salmon Solutions

We need YOUR help to make this busy day a success!! Each class will need a parent helper to assist the teacher & presenters both in the rooms and as the students move from class to class. Additionally, we will be providing a Luncheon for our guests.

Please check where you would be willing to help and return this form to school as soon as possible!

VOLUNTEER: Name _____

Email _____ Phone _____

Classroom Teacher(s) _____

- CLASS HELPER: 8:30-2:30 _____ 8:30-11:30 _____ 11:30-2:30 _____
